

# Construction Journeyman

Mills Construction, Inc. (MCI) in Brookings, SD is currently offering a full-time position for a Construction Tradesman

**JOB TYPE:** Full Time

**REPORTS TO:** Superintendent

**POSITION LOCATION:** Brookings, SD – current projects also working in Clear Lake, White, or Watertown SD.

**PROFESSIONAL QUALIFICATIONS/EDUCATION:** A Journeyman is a field employee who is educated in a trade or craft and will continue to work under other more skilled workers to advance themselves and eventually become a Foreman. The Journeyman is appointed by the Field Superintendent and reports to the Field Superintendent and the Foremen when directed to do so by the Field Superintendent. The Journeyman is solely accountable for the fulfillment of all assigned duties and has authority delegated equal with assigned responsibilities

**REQUIRED EXPERIENCE:** 3 years of on the job construction experience or at least 2 years of on the job experience with a Building Trades or Journeyman Degree. Journeymen need to retain a full assortment of construction hand tools as directed by the job Superintendent. The employee must have an advanced knowledge of at least one type of construction and a basic knowledge of all types of construction that Mills Construction does including residential, commercial, wood, and steel construction. Must be physically fit with no physical limitation, strong enough to lift at least 75 pounds and agile as the position required the ability to climb ladders, lift heavy objects, etc.

**COMPENSATION:** Commensurate with experience and skills. May have unpaid weather days, but there is year-round work.

**BENEFITS:** Health, Life, 401K with Company Match, Paid Holidays, Vacation, Sick Time, Funeral Leave, Out of Town per diem for same day travel (more than 20 miles) outside of Brookings, Bonus, Profit Share, Year-Round Work, Weekly Pay, Over-time Pay, Leave without Pay, Gym Membership Reimbursement, Flex Plan, Safety Program.

**OPPORTUNITY FOR GROWTH:** For full-time employees who have been with the company at least 90 days before November 1, Mills Construction offers a 4 year commercial Apprentice to Journeyman Training Program through the AGC and the US Department of Labor at a minimal cost to the employee. Graduates receive certification recognized throughout the US.
